Government of Punjab

No. NHM/Pb/ 97233

Dated: 17/03/2023

Mode of Recruitment

For selection into Nurse Practitioner in Midwifery Educator (NPME) course at **National Midwifery Training Institute**

The written test of 100 Marks shall be held and based upon the marks obtained in the test, merit list shall be prepared. Selection shall be made purely on the marks obtained during the examination provided candidates fulfil all eligibility criteria as prescribed.

The examination will be conducted in three phases in the order mentioned below:

a. Written Examination - 40 Marks

There will be Multiple Choice Questions and two short essays/subjective questions covering the areas of antenatal, intrapartum, postnatal, complication management and neonatal care. Short essays will be screened for technical proficiency as well as fluency in written English.

b. Objective Structured Clinical Examination (OSCE) - 20 Marks

Each candidate will be required to perform an OSCE in a simulated environment. In this part the candidates will be tested on their clinical skills related to any one of the procedures related to midwifery.

c. Interview - 40 Marks

Motivational Screening – (20%) - Successful candidates who clear the written test and OSCE will be screened for their motivation and passion for woman's health, their willingness for the course, willingness to serve as individual practitioner of midwifery care-low-risk pregnancies and normal births as posted after the training, commitment to program goals, and their vision of providing quality of care around the time of birth. Candidates should have clear understanding of the 18- month training (6 months' residential training followed by a year of mentorship and guidance) midwifery-led-model of care.

Aptitude assessment (20%) will be a part of interview process to ascertain spoken English language proficiency and communication, technical knowledge, leadership and advocacy for client's rights, and team spirit.
